

ARMASTEPP PRO

The workstation mat.

flooring for work bench and machine, avoid slipping accidents, increased ergonomics during standing work. Fine rubber grains are used while production and let the structure of the mats become homogeneous.

product information

colour:	black
material:	rubber granulate bound with PUR
thickness:	5 mm
delivery form:	rolls

rev. April 2014

technical data

volume weight:		993 kg/m ³
tensile strength:	based on DIN EN ISO 1798	≥ 0,60 N/mm ²
elongation of break:	based on DIN EN ISO 1798	≥ 60%
compression strength with 30% deformation:	DIN EN ISO 3386/2	≥ 6,10 N/mm ²
working temprature range:		-40 bis +115°C
reaction to fire:	DIN EN 13501-1	class E

notes

Our advice is given to the best of our knowledge, but only as a non-binding reference and does not exempt our own examination of the products supplied by us for their suitability for the intended procedures and purposes. The specified technical data are guide values, i.e. experience values from longer production periods. The processing of our products is beyond our control and is therefore exclusively within your area of responsibility. Of course, we guarantee the perfect quality of our products according to our general sales and delivery conditions. Due to raw material and production, as well as by external influences (temperature, humidity, etc.), the stated values can fluctuate by up to ± 25%
